MINUTES OF TOWN MEETING
Woodstock, New Hampshire
March 11, 1986

The meeting was called to order at 10:00 A.M. by D. Kenneth Chapman, Moderator. A motion was made by Dan Barry to dispense with the reading of the entire warrant, seconded by Fred Lee. Affirmative vote-unanimous.

A motion was made by Danny Barry to open the polls for voting, seconded by Sonja Gilman. Vote in the affirmative. Motion to close polls at 6:00 P.M. by Deanna MacKay, seconded by Marcia Cousineau. Vote in the affirmative.

The business meeting was called to order at 7:30 P.M. by Moderator D. Kenneth Chapman. He noted the rules to be followed: no one is allowed to speak on an issue unless recognized by the Moderator. Please stand and identify yourself when speaking. To vote on an issue you must be a registered voter. All registered voters must be able to speak on an issue first, interested parties second. The motion made when the meeting was called to order at 10:00 A.M. with regard to dispensing with the reading of the entire warrant still carried.

Article #1 To choose all necessary town officers for the year ensuing: Vote cast as follows:

Selectman for Three Years (vote for one):

William Albrecht	71 Votes
Bonnie D. Ham	95 Votes

Fire Chief (vote for one):

Neil Wilson	95 Votes
Bill Mellett	5 Votes

Library Trustee for Three Years (vote for one):

Deborah C. Batchelder	153 Votes
-----------------------	-----------

Trustee of Trust Funds for Three Years (vote for one):

Carol Frost	2 Votes
Deborah Batchelder	2 Votes
Dauna Ayotte	2 Votes
Judy Boyle	2 Votes
Judy Downing	2 Votes

Moderator for Two Years (vote for one):

D. Kenneth Chapman	131 Votes
D. Barry	3 Votes

Supervisor of Checklist for Six Years (vote for one):

Sonja Gilman	148 Votes
--------------	-----------

Budget Committee for Three Years (vote for two):

James Fadden Jr.	124 Votes
Bill Albrecht	4 Votes

Budget Committee for Two Years (vote for one):

Louis J. LaCombe	127 Votes
------------------	-----------

Budget Committee for One Year (vote for one):

Judith Downing	153 Votes
----------------	-----------

Planning Board for Three Years (vote for two):

Marvin Stratton	11 Votes
D. Barry	9 Votes
W. Albrecht	8 Votes
F. MacNamara	5 Votes
Etta Martin	5 Votes

Planning Board for Two Years (vote for one):

Etta Martin	3 Votes
C. Harrington	2 Votes
A. Ham	2 Votes
Marvin Stratton	2 Votes

Planning Board for One Year (vote for two):

C. Harrington	2 Votes
W. Fadden	2 Votes
Wilson	2 Votes
Bonnie Ham	2 Votes
Wm. Albrecht	2 Votes

Shall the provisions of Chapter 287 of the Revised Laws relative to playing games of beano be adopted in this city or town?

Yes	No
87	37

Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant

who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00.

Yes	No
107	28

At the request of the Board of Selectmen the Moderator then departed from the Warrant for a few minutes while a presentation was made. Selectman Stan Hilliard stated that the Town Officers and Town Employees had requested that this Town Meeting be dedicated to a person who has been a very faithful and loyal employee and has served the town for 20 years; he then presented Bill Mellett with a key to the town stating that Bill had started as a laborer, then to the Sewerage Treatment Plant and has been Supt. of Public Works for the last thirteen years. Bill was given a standing ovation and a round of applause.

Article #2 To see if the town will vote to raise and appropriate a sum not to exceed One Hundred Six Thousand Dollars (\$106,000.00) for the purpose of constructing improvements to the Town of Woodstock's water system, such sum to be raised by the issuance of Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et. seq., as amended). To authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. So moved by Ernest Holtzman, seconded by Fred Lee. A short discussion was held and the Board of Selectmen explained that this additional sum of money is needed to finish the Water Project. The polls opened at 7:45 P.M. for a secret written ballot, and closed at 9:45 P.M. The vote was in the affirmative. Yes-84; No-10.

Article #3 To see if the town will vote to raise and appropriate a sum of Two Hundred Twenty Eight Thousand, Seven Hundred Twenty Eight Dollars (\$228,728.00) for land acquisition and construction of a new town office building, such sum to be raised as follows: Eleven Thousand Dollars (\$11,000.00) from Revenue Sharing Funds appropriated in 1985, Seventeen Thousand Seven Hundred Twenty Eight Dollars (\$17,728.00) from 1986 Revenue Sharing Funds and a sum not to exceed Two Hundred Thousand Dollars (\$200,000.00) by the issuance of Serial Bonds or Notes under and in

compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et. seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. So moved by Vincent Osgood, seconded by Edith Chaisson. It was brought to everyone's attention that there was an error in the Town Report. The report showed \$288,728.00 and the \$228,728.00 is the correct figure. A motion was made by Wilfred Ayotte to amend this article as follows: To see if the Town will vote to raise and appropriate the sum of \$28,728.00 for land acquisition or down payment on land, such sum to be raised as follows: \$11,000.00 from Revenue Sharing Funds appropriated in 1985 and \$17,728.00 from 1986 Revenue Sharing Funds and to authorize the Selectmen to negotiate a purchase price and take such other actions as may be in the best interests of the Town. Seconded by William Albrecht. Mr. Ayotte felt we should wait until we have a suitable site before we appropriated funds for a building, further that \$28,728.00 was probably not enough to purchase land but could be used as a down payment and then have further action by Town meeting for the building and if necessary the land. Further discussion followed and it was pointed out that another Town Meeting would have to be held before we could build a building. Vote on amendment - affirmative.

A vote was then taken on the amended article which was as follows: To see if the Town will vote to raise and appropriate the sum of \$28,728.00 for land acquisition or down payment on land, such sum to be raised as follows: \$11,000.00 from Revenue Sharing Funds appropriated in 1985 and \$17,728.00 from 1986 Revenue Sharing Funds, and to authorize the Selectmen to negotiate a purchase price and take such other action as may be in the best interest of the Town. Vote in the affirmative- unanimous.

Article #4 To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles. So moved by Charles Harrington, seconded by Fred Lee. Affirmative vote-unanimous.

Article #5 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. So moved by Fred Lee, seconded by Wilfred Ayotte. Affirmative vote-unanimous.

Article #6 To see if the Town will vote to authorize the Tax Collector to receive part payments in any year in the sum of Ten Dollars (\$10.00 or a multiple of ten). So moved by Fred Lee, seconded by Don Showalter. Affirmative vote-unanimous.

Article #7 To see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money from the state, federal or other governmental unit or private source that may become available during the fiscal year in compliance with RSA 31-95-b (supp.). So moved by Charles Harrington, seconded by Vincent Osgood. Affirmative vote-unanimous.

Article #8 To see if the town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the Town?" Yes-88; No-37.

Article #9 To see if the town will vote the following proposal (by petition): Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of Fifteen Thousand Dollars (\$15,000.00). Yes-107; No-28.

Article #10 To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Vehicle Replacement Capital Reserve Fund. So moved by William Albrecht, seconded by Paul Rand. Affirmative vote-unanimous.

Article #11 To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for purchase of a new payloader such sum to be raised as follows: 1) Ten Thousand Dollars (\$10,000.00) to be withdrawn from the vehicle replacement fund, 2) Forty Thousand (\$40,000.00) to be funded by long term notes or bonds over a three year period. So moved by Charles Harrington, seconded by William Albrecht. A short discussion followed. Affirmative vote by secret written ballot. Yes-76; No-15.

Article #12 To see if the Town will vote to raise and appropriate the sum of Seventy Thousand dollars (\$70,000.00) for the purchase of a 1.5 acre of land adjacent to the present cemetery in Woodstock for the purpose of cemetery expansion, said sum to be raised and paid to the owners as follows: Thirty Five Thousand Dollars (\$35,000.00) cash payment on April 1, 1986. The issuance of four (4) notes dated April 1, 1986 in the amounts and for the terms scheduled below, with interest at the Town's qualifying rate of interest for borrowing tax anticipation notes on the due date of each note.

Note Amount	Due Date
\$10,000.00	April 1, 1987
\$10,000.00	April 1, 1988
\$10,000.00	April 1, 1989
\$ 5,000.00	April 1, 1990

So moved by Charles Harrington, seconded by William Mellett. Bonnie Ham made a motion to amend a portion of this article to read: The issuance of four (4) notes dated April 1, 1986 in the amounts and for the terms scheduled below, with interest at the current Certificate of Deposit rate on the due date of each note. Further discussion followed and the amendment was defeated.

Some people felt that it was too much money for 1½ acres of land. Bill Mellett said we need the land and that it was a good flat piece of land, that it is a very desirable parcel and is located adjacent to our present cemetery and would probably last us twenty to thirty years. Further discussion followed. Mike Conklin moved to amend a portion of the article to read as follows: The issuance of four (4) notes dated April 1, 1986 in the amounts and for the terms scheduled below with interest at a rate equal to the lowest rate available at the Plymouth Guaranty Savings or the Savers Bank for a deposit of an equal amount for the same term relative to each note, seconded by Alan Berman. Vote in the affirmative, with some opposition. A vote was then taken on the amended article which was as follows: To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,00.00) for the purchase of a 1.5 acre of land adjacent to the present cemetery in Woodstock for the purpose of cemetery expansion, said sum to be raised and paid to the owners as follows: Thirty Five Thousand Dollars (\$35,000.00) cash payment on April 1, 1986. The issuance of four (4) notes dated April 1, 1986 in the amounts and for the terms scheduled below, with interest at a rate equal to the lowest

rate available at the Plymouth Guaranty Savings or the Savers Bank for a deposit of an equal amount for the same term relative to each note. A secret written ballot was taken. Article defeated by not having a $\frac{2}{3}$ majority. Yes-58; No-44.

Article #13 To see if the Town will appoint the Selectmen as agents authorized to withdrawn funds from the Vehicle Replacement Capital Reserve Fund at any time to expend on the purchase or lease of a replacement vehicle or equipment in case of an emergency situation. So moved by Charles Harrington, seconded by Betty Robinson. Vote in the affirmative-unanimous.

Article #14 To see if the Town will vote to authorize the Selectmen to request an audit by a private certified accounting firm. So moved by Fred Lee, seconded by Michael Conklin. Vote in the affirmative-unanimous.

Article #15 To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for Civil Defense. One Thousand Dollars (\$1,000.00) from a state or federal grant and Two Thousand Dollars (\$2,000.00) to be raised by taxes. So moved by June Barry, seconded by Betty Robinson. Vote in the affirmative-unanimous.

Article #16 To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) for, and to support, the Plymouth Area Task Force Against Domestic Violence, a non-profit organization organized pursuant to New Hampshire Legislation, and partially funded by marriage license fees from the State of New Hampshire (by petition). So moved by Deborah Conklin, seconded by Alan Berman. Deborah Conklin explained that this organization was founded in 1981 and is a non-profit, volunteer organization and serves a number of towns in Grafton County, and has set up a free crises line which is staffed by volunteers and if someone is in trouble they can call this line for many different things. Vote in the affirmative-unanimous.

Article #17 To see if the Town will vote to prohibit the display, sale, or distribution of obscene material; and to prohibit the establishment of businesses whose activities promote any form of obscenity/pornography. Obscenity (pornography) as defined in N.H. RSA 650; I-IV Supp. and U.S. Supreme Court rulings of 1973 (by petition). So

moved by Fred Lee, seconded by Eleanor Parker. Eleanor Parker spoke in favor of this article as did many others. Atty. Keating felt that enforcement would be difficult, and we may be creating a turmoil we are not equipped to deal with. Vote in the affirmative by secret ballot. Yes-49; No-40.

Article #18 To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to rebuild a portion of Hollis Gordon Road, said sum to come from the unexpended balance of the 1985 and 1986 Highway Block Grant Fund. So moved by James Chesebrough, seconded by Charles Harrington. Stan Hilliard explained that this is a town road and we are just improving this road. Vote in the affirmative-unanimous.

Article #19 To see if the Town will vote to discontinue the section of Old Route 175 at Mountain Park Hill; the discontinued section to revert to the abutters. So moved by Nancy Holtzman, seconded by Carol Mueller. It was explained that if this was done that Mr. Young would then have no access to Route 175 and would landlock his land. Article defeated.

Article #20 To see if the Town will vote to authorize the Selectmen to enter into an agreement with the Developers of the Deer Park, Deer Park Joint Venture (DPJV), regarding the town road that enters and passes through part of the property. The agreement will permit the DPJV 1) to erect an entrance sign; 2) to make improvements at the junction of Route 112 (subject to the approval of the N.H. Highway Department of Public Works and Highways); and 3) to make improvements to the roadway within the project according to Town Planning Board standards. In consideration therefore DPJV will assume all future costs of the roadway including but not limited to landscaping, paving, snowplowing and general maintenance. So moved by Don Showalter, seconded by Pauline Harrington. Vote in the affirmative-unanimous.

Article #21 To see if the Town will vote to authorize the Selectmen to appoint three (3) residents of Woodstock to a six (6) member committee (3 from Woodstock, 3 from Lincoln) to study Solid Waste Disposal and develop recommendations with respect to future disposal methods and expansion needs. So moved by Ernest Holtzman, seconded by Betty Robinson. Stan Hilliard explained that this study would be on the whole future of the Incinerator, not just the

ash pit. It would give us another year to look at whether we should invest in another unit, have a recycling station, truck stuff away, etc. Vote in the affirmative-unanimous.

Article #22 To see if the Town will vote to adopt a Building Permit and Building Inspector system. So moved by James Chesebrough, seconded by William Albrecht. Bonnie Ham explained that this came about as a result of a Study Committee which has worked long and hard on a form to enable the town to find out what is going on. A fee of \$25.00 would be charged and would be required for anyone changing the outside dimensions, and further to make people aware of the set-back ordinances. This is not zoning and no permit would be required for anything less than \$500.00, but the set-back would still have to be in compliance with the ordinance. Vote in the affirmative-passed with some opposition.

Article #23 To see if the Town will vote to authorize the Selectmen to propose sewer and water regulations for the Town including but not limited to a user fee schedule, connection fees, and special fees and regulations for high volume users. The proposed regulations to be published and presented at a properly convened public hearing prior to enactment. So moved by Betty Robinson, seconded by Bob Bujeaud. Vote in the affirmative-unanimous.

Article #24 To see if the Town will vote to authorize the Selectmen to enter into an agreement with one (1) or more developers for the purpose of expansion of the Woodstock Sewerage Treatment Plant, the agreement to specify 1) that all capital costs are to be borne entirely by the developer(s) and 2) that a formula be negotiated whereby the developer(s) shall receive a portion of future connection fees received by the town from new construction not associated with the developer. So moved by Joel Beaudin, seconded by Nancy Holtzman. Richard Barber of the Satter Company explained that our Treatment Plant was at capacity and they were willing to pay for the expansion which would not only allow them to develop the Deer Park but also give the Town back the capacity for Lost River Road and Depot Street which the town lost with the Alpine Development. Although the developers will receive a portion of future connection fees, it will only be a very small portion of what they are investing. The Selectmen told the voters that it would be the Town's Engineering firm and Resident Engineer that would be doing the design and

overseeing the expansion. The engineering would be done by Camp, Dresser & McKee, the firm that designed the Treatment Plant. Vote in the affirmative-a few opposed.

Article #25 To see if the town will vote to accept and subsequently operate a Wastewater Treatment Plant located on Route 3 in Woodstock. The Treatment Plant would be constructed according to New Hampshire Water Supply and Pollution Control Commission standards and paid for entirely by the developer, with the Town applying for a NPDES permit, with operation and maintenance of the facility being billed directly to the system users in the development via a Sewer User Charge System. The taxpayers of Woodstock will not be required to raise any funds for this project. So moved by Alan Berman, seconded by Charles Harrington. Stan explained that this was for the developer of the Simpson property, so-called and would be located across the street from the development commonly known as High Birches. The building would be about 30 x 40 feet and can be designed to look like a house. With this plant would be the potential to offer sewerage to Woodstock Village and North to the Green Bridge. The town would eventually have to own and operate it, after it has been in operation for one year. Dan Barry felt that the article should be amended in part to delete "in the development" if there might be system users other than in the development, seconded by Bill Albrecht. Further discussion followed with Mr. Nolan of Senter Cove explaining exactly what their plans are. A vote was then taken on the amendment. Vote in the affirmative.

A vote was then taken on the amended article which was as follows: To see if the Town will vote to accept and subsequently operate a Wastewater Treatment Plant located on Route 3 in Woodstock. The Treatment Plant would be constructed according to New Hampshire Water Supply and Pollution Control Commission standards and paid for entirely by the developer, with the Town applying for a NPDES permit with operation and maintenance of the facility being billed directly to the system users via a Sewer User Charge System. The taxpayers of Woodstock will not be required to raise any funds for this project. Vote in the affirmative-few nays.

Article #26 To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. A motion was made by Charles Harrington to raise and appropriate the sum of \$826,236.00, seconded by Ernest Holtzman

deleting \$200,000.00 Town Bld. & Cemetery \$70,000.00 and adding \$200.00 for the Plymouth Area Task Force against Domestic Violence. Vote in the affirmative-unanimous.

Article #27 To transact any other business that may legally come before the meeting. Stan Hilliard said that the Planning Board had two plaques to be given tonight to two members for services rendered, one for Etta Martin and the other for Eleanor Parker. In waiting for Etta to come, Eleanor left, so we will see that they are delivered to them.

Bonnie Ham then introduced the following article: To authorize the Selectmen to negotiate with the Sabres for the establishment of the right of way width across their property to the Grandview Development for the maintenance of the Town water main and to provide access for emergency vehicles, and further if necessary to petition the Superior Court to decide this matter. So moved by Bob Bujeaud, seconded by Edith Chaisson. Deanna Thompson asked if there was an area over on the other side where the town already has access and would not have to go thru the center of the Sabre property. The Selectmen explained that the only access we have is thru the center of the property. We tried to negotiate with the Sabres for an access behind the barn but were not able to do that. We presently have a right-of-way which was there before the Sabres bought the property but the width was not spelled out. It is restricted so that we can not get our emergency vehicles in there as well as any trucks to maintain our water line. The reason that this is brought up under other business is because of problems which arose after the warrant was posted. Further, we have a brand new fire truck which we can not get thru there. Bob Bujeaud pointed out that this has been an ongoing problem for years and the Selectmen should be commended for waiting this long to do something about maintaining the water line. The Selectmen stated that the existing right of way refers to all vehicular traffic which should include the fire truck, the snowplow, etc. Stan Hilliard stated that this is for the town to maintain our water line and get emergency vehicles in and out, it is not for Grandview residents, those people are going in and out with no problem. However, we have to be able to serve the Grandview Residents in case of fire or emergency. Town Attorney Robert Keating stated that we are obligated to get a width established. The Selectmen said that they can negotiate without a vote

of the town but did not want to continue without some support from the voters. Vote in the affirmative-few opposed.

Respectfully submitted,
Deanna MacKay
Town Clerk

Meeting adjourned at 12:05 a.m.

TOWN CLERK'S REPORT
January 1, 1986 to December 31, 1986

— — — — —

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Woodstock, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock, on the tenth day of March next, being the second Tuesday of March, at ten o'clock in the forenoon, (the polls are to open at 10:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the town hall at 7:30 P.M.) to act upon the following:

Article 1. To choose all necessary town officers for the year ensuing.

Article 2. To see if the town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000.00) for the purpose of paying for the acquisition and construction of the Town's share of an incinerator to be jointly owned by the Town and the Town of Lincoln, New Hampshire, to be located on the existing facility located within the Town of Lincoln, such authorization to be effective only if the Town of Lincoln has authorized payment of its share of such project; such sum to be raised through the issuance of bonds or notes by the town under and in compliance with the Municipal Finance Act, N.H. RSA 33:1 et seq., as amended; to authorize the Selectmen to invest said monies and to use the interest earned thereon for said project; to authorize the Selectmen to obtain and accept Federal, State or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver such bonds and notes and to determine the rate of interest thereon and the maturity and the other terms thereof; or, in the alternative, to enter into a lease-purchase agreement along with the Town of Lincoln for the acquisition of this facility should this method be feasible; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto.

Article 3. To see if the town will vote to authorize the Selectmen to sell property taken on tax titles.

Article 4. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 5. To see if the town will vote to authorize the Tax Collector to receive part payments in any year in the sum of Ten Dollars (\$10.00 or a multiple of ten.).

Article 6. To see if the town will vote to authorize the Selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or private source that may become available during the fiscal year in compliance with RSA 31-95-b (supp).

Article 7. To see if the town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the town?"

Article 8. To see if the town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Vehicle Replacement Capital Reserve Fund.

Article 9. To see if the town will appoint the selectmen as agents authorized to withdraw funds from the Vehicle Replacement Capital Reserve Fund at any time to expend on the purchase or lease of a replacement vehicle or equipment in case of an emergency situation.

Article 10. To see if the town will vote to authorize the Selectmen to request an audit by a private certified accounting firm.

Article 11. To see if the town will vote to raise and appropriate a sum not to exceed Sixty Thousand Dollars (\$60,000.00) to extend the water main South on Route 175 from its present terminus to the intersection of Thornton Gore Road and Sellingham Road.

Article 12. To see if the town will vote to raise and appropriate the sum of Twenty Eight Thousand Seven Hundred Twenty Eight Dollars (\$28,728.00) for land and/or building acquisition or down payment on land and/or building to be used as a Municipal Building, such sum to be raised as follows: Eleven Thousand Dollars (\$11,000.00) from Revenue Sharing Funds appropriated in 1985 and Seventeen Thousand Seven Hundred Twenty Eight Dollars (\$17,728.00) from Revenue Sharing Funds in 1986, and to authorize the Selectmen to

negotiate a purchase price and take such other action as may be in the best interest of the town.

Article 13. To see if the town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for purchase or down payment of cemetery land should it become available during the year and authorize the withdrawal of like amount from expendable Trust Fund as originally created under provisions of RSA 31:19-a at Town Meeting, March 12, 1984.

Article 14. To see if the town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for Civil Defense, One Thousand Dollars (\$1,000.00) from a state or federal grant and Two Thousand Dollars (\$2,000.00) to be raised by taxes.

Article 15. To see if the town will vote to have the Appraisal Division of the Department of Revenue Administration or Private Firm conduct a complete revaluation starting in 1989 or thereafter. To establish a Capital Reserve Fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund.

Article 16. To see if the town will vote to raise Twenty Five Thousand Dollars (\$25,000.00) to be placed in the Capital Reserve Fund for the revaluation of the town by the Appraisal Division of the Department of Revenue Administration or Private Firm, such sum to be raised as follows: Ten Thousand Dollars (\$10,000.00) that were appropriated at Town Meeting 1986 and Fifteen Thousand Dollars (\$15,000.00) to be appropriated at Town Meeting 1987.

Article 17. "To see if the town will vote to authorize purchase by the United States Forest Service, for addition to the White Mountain National Forest, of 15.4 acres presently owned by the Trust for Public Land, bounded by Mirror Lake on the west, by Interstate 93 on the east, and by private land on the north and south, to help protect Mirror Lake's scenic beauty and scientific value for continuing research purposes in conjunction with the Hubbard Brook Experimental Forest." (by petition).

Article 18. To see if the town will vote to authorize the Selectmen to take an option or options on any and all lands which may, in the opinion of the majority of the Board of Selectmen, be in the best interest of the Town of Woodstock and do all things incidental thereto.

A-4

Article 19. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 20. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 23rd day of February, 1987.

NEW HAMPSHIRE HUMANE SOCIETY
Laconia, N.H.
 — — — — —

Office of Selectmen
 and Chief of Police
 Town of Woodstock
 Woodstock, N.H. 03262

Dear Town Officials:

The 1986 totals of the number of animals from the Town of Woodstock brought to the N.H. Humane Society shelter are as follows:

By your Animal Control Officer:

Dogs and Puppies	6
Cats and Kittens	0
	—
Total	6

By Woodstock Residents:

Dogs and Puppies	6
Cats and Kittens	3
	—
Total	9

Total Number of Dogs, Pups, Cats and Kittens from Woodstock	15
--	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1986. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Woodstock, especially your Animal Control Officer, to use our services more in 1987.

Sincerely,
 FRITZ T. SABBOW
Executive Director

REPORT OF THE NORTH COUNTRY COUNCIL

Calendar year 1986 was a busy and productive year for the North Country Council as it continued to provide a wide range of assistance to towns and cities in the North Country.

The Council is a regional non-profit, public agency chartered under NH RSA 36:45 and is responsible for providing its member communities assistance in local community planning, economic development, solid waste, transportation, and various other community services. Besides the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues at the state and federal governments.

Growth and development is no longer unique to southern New Hampshire; North Country towns are experiencing similar growth pressures. The Council recognizes the impacts associated with this development to schools, roads, waste disposal, water, etc. The Council is dedicated to assisting town officials with these complicated issues. Because most of the Council member towns do not have a staff of their own to do the research, answer the questions and respond to incoming requests, the Council has revised the way we help member towns. Now, each town has a staff person assigned to assist the local officials of that town with their daily needs. In this way, the Council serves its membership more efficiently.

In Woodstock, the Council gave technical assistance with zoning definitions and conducted a Housing Feasibility Study and administered the FmHA water project in North Woodstock.

Economic Development is an important part of the Council's overall agency mission. This year the Council developed two marketing products: a regional brochure promoting the region and community profiles which the ten growth communities in the region are using to market their industrial development potential. The Council also produced a series of magazine advertisements, along with a display at the Eastern States Exposition, promoting the North Country as the sensible place to do business. The Council is now developing a workshop series on industrial development marketing for local officials in the region who are actively seeking economic development.

This past summer the Council co-sponsored the very successful North Country legislative tour. Over 285 legislators and their guests toured the North Country getting a glimpse of the life, economy, and culture that makes our region unique. A follow-up legislative reception was held in December to develop a legislative agenda for 1987. The tour and reception should have future beneficial legislative impact to the North Country.

The Council again provided information and guidance to several towns on federal and state grant and loan programs. This past year saw the Council administer over \$3.0 million in Community Development Block Grant funds. The funds cover such activities as housing rehabilitation, downtown revitalization, business revolving loan funds, and housing rehabilitation feasibility studies.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered such topics as local planning board procedures, administration and enforcement of ordinances and review of recent court cases and state law changes regarding local land use planning.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

**WHITE MOUNTAIN MENTAL HEALTH &
DEVELOPMENTAL SERVICES
1986 Director's Report**

— — — — —

The following information is provided to give you a brief description of the type of work in which we are involved.

Mental Health Services - We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at Cottage Hospital, in Lincoln at the Lin-Wood Medical Center, and in Lancaster at Weeks Memorial Hospital.

Last year, we provided the following services to our twenty-two town catchment area:

Children's Services - evaluations of children and/or their families, as well as treatment (therapy). Last year, we averaged 110 children's cases per month.

Adult Outpatient Services - psychiatric, psychological evaluations, treatment (therapy) including individual, conjoint, family and group services. Annually, we do 60% of our treatment with this population. We recorded over 5,000 visits for children and adult services.

Emergency Services - we operate a 24-hour-a-day phone line to respond to psychiatric emergencies. Last year, we saw 361 people in person on an emergency basis.

Inpatient Services - we provide inpatient services through local general hospitals and a psychiatric inpatient unit (8 beds) in Berlin. We also make referrals to private hospitals and New Hampshire Hospital. We had 318 visits performed by our clinical staff in 1986.

Case Management - services which help to keep clients in the community who otherwise might need institutional care. We had over 1,200 contacts in this supportive service program.

Alcohol Services - individual and group services to individuals with alcohol or drug problems. During this past year, we have provided more than 1,224 hours of service.

Partial Hospitalization - a day program for clients in need of more

intensive services, including: therapy, vocational training, skills for independent living, and working with the clients to integrate into the community. This past year, we provided 4,742 hours of service to clients in this program.

Work Stations in Industry - a vocational program aimed at helping clients acquire vocational skills, develop good work habits, and teach job-seeking skills. The program is located off site and the clients are engaged in real work for which they are reimbursed.

We seek your support to help us to continue to provide these services. Community support is essential to help pay for program expenses which are not covered by insurance or other grant support. We are appreciative of your past support and urge you to continue to help us.

Respectfully submitted,
DENNIS C. MACKAY
Area Director

MOOSILAUKE PUBLIC LIBRARY

Annual Report - 1986

1986 was an exciting and productive year for the library. We were chosen, with the Lincoln Public Library, as one of ten areas in the state to hold a five session reading/discussion program called LET'S TALK ABOUT IT. This program, funded by the New Hampshire State Library and the New Hampshire Council on the Humanities, was enjoyed by many. We hope to again offer such a series to the community in the future.

Our Monday STORY TIME for preschoolers has continued through the year, becoming a regular library offering. Grants from the Plymouth Guaranty Savings Bank and the Saver's Bank enabled us to sponsor two puppet shows for area children. The Starbird Puppets presented PETER PAN in March, and in June the Ha'Penny Puppet Theatre marked the start of our Summer Reading Program. This children's program ended in August with a party sponsored by McDonalds. Area businesses contributed the many prizes awarded to our eager summer readers.

Our cataloging project is progressing, though slowly, being the kind of project that takes years, not weeks or months. Hopefully you will notice, as the years go by, that we are indeed more organized, that the book you need is easier to find.

Again in August we had a successful book sale. I thank all those of you who donated items for the sale and those of you who so generously bought from us.

We hope to see you at the Library during 1987. Our hours are: Monday 1:00 p.m. to 5:00 p.m., Thursday 5:00 p.m. to 8:00 p.m., Friday 1:00 p.m. to 5:00 p.m. and Saturday 11:00 a.m. to 3:00 p.m.

Respectfully submitted,
BARBARA AVERY
Librarian

REPORT OF THE WOODSTOCK PLANNING BOARD

In 1986, the Planning Board was busy primarily with subdivision review and writing a zoning ordinance. Gravel pits were less of a problem with all but one closed and reclaimed by early in the summer.

We processed 8 subdivisions during the year and are in the final review stage on the ninth and largest one. These ranged from the beginnings of Deer Park to some simple 2 lot subdivisions. The balance of Deer Park (now under review) is expected to be approved early in 1987.

Work on the Zoning Ordinance is mostly complete with the document now being reviewed by a municipal attorney. We anticipate public meetings beginning in late February or March and possible action by the Town at a Special Town Meeting in April or May. In conjunction with the Zoning Ordinance we have contracted to have the Master Plan updated to reflect the growth happening in the town and the planning needed for the future. This work is well underway and should be finished by May, 1987.

Five positions are on the ballot for election this year. This comes about due to there being several positions open after last year's election, thereby necessitating the appointment of several people until the next regular Town Meeting. The Board needs your support both on the ballot and at the polls. You are reminded that, should Zoning be approved, there will be a need for up to 10 additional people to get involved in town government (for the Board of Adjustment).

As the year closed, occupancy of the many new housing units over the holiday period put a severe strain on the water and sewer systems. As a result, the Board voted in January not to accept for final consideration any subdivision requiring town water or sewer until additional capacity is available.

The Board thanks you for your continuing support.

Respectfully submitted,
WILLIAM ALBRECHT
Chairman

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

— — — — —

Between July 1985 and June 1986, we experienced fewer forest fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

JOHN Q. RICARD
Forest Ranger
Canaan, N.H.

WOODSTOCK FIRE DEPARTMENT REPORT

During 1986 the Department responded to 19 calls broken down as follows:

Structure Fires	3
Rubbish, Dumpster	4
Chimney Fires	3
Vehicle Fires	5
False Alarms	4

Two of the structure fires were in neighboring towns and we provided Mutual Aid Assistance.

Care must be taken when disposing of stove ashes; put them outside in a separate metal container or other safe place, not in the rubbish or dumpster.

If you are considering putting in an alarm system, please check with the Fire Chief in advance.

REPORT OF THE GRAFTON COUNTY COMMISSIONERS

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents, realizing your concerns and our accountability for a fiscally conservative budget.

We have heard that budget message and continually strive to meet mandated and essential services in the most efficient and effective, yet economical manner possible. This has been reflected in tight county budgets the last two years, resulting in decreased county tax requirements. Some towns may have seen increased county taxes due to evaluation and apportionment formula used by the N.H. Dept. of Revenue Administration. However, public services at the county level still usually reflect more equitable distribution of tax dollars. County tax averages 6.2% of base property taxes.

The county is facing the same problems in the insurance market as the towns. However, we have joined in the N.H. Municipal Association's insurance programs for most coverage needs at reasonable cost. We shall also have to deal with the loss of Revenue Sharing funds in the next budget.

It is too early to make a comprehensive report on the new welfare system under Senate Bill-1. We do know that with the change in program liabilities, county costs will substantially increase, and towns should realize a decrease in welfare assistance payments. County focus under SB-1 is to serve the needs of the children, the elderly and disabled. Because the north country is growing with changing needs, growth in the elderly population, and expanded service requirements, we must look to the future to meet those needs.

The House of Correction occupancy figures have grown dramatically due to week-end sentencing, new DWI laws, and continuous one year sentencing to avoid incarceration at state prison, causing overcrowding at the Correctional facility. One option now under consideration is the construction of a two story dormitory type addition for 30 beds. The result would be a net increase of 18 beds meeting space standards under a plan in line with previous jail study recommendations, and at far less cost than a new facility.

The farm continues to be self-supporting, provides work for inmates, and offers access for experimental projects. The Register of Deeds net profit margin is 3.6% of county revenues. The Sheriff's Dept. provides essential services in transport, superior court, dispatch, and other law enforcement activities, with increased revenue in fees. The Nursing Home is one of the finest in the state.

We are proud of our county; of the dedicated staff, exemplary services and high standard facilities. Commissioners meet weekly, and encourage public attendance. We welcome facility tours. Our thanks and appreciation to all.

Respectfully submitted,
DOROTHY CAMPION-
CORCORAN
Chairperson
ARTHUR E. SNELL,
Clerk
LEONARD F. ANDERSON
Grafton County Commissioners.

**CARRI, PLODZIK & SANDERSON
ACCOUNTANTS & AUDITORS
TRANSMITTAL AND COMMENTARY LETTER**

— — — — —

To the Members of
the Board of Selectmen
Town of Woodstock
Woodstock, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Woodstock, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Woodstock, New Hampshire at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents, including the supplemental Schedule of Federal Assistance, is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Woodstock, New Hampshire. The information has been subjected to

the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

May 5, 1986

Carri, Plodzik & Sanderson
